

## **ASIS International Hudson Valley Chapter announces our 2018 School Safety Symposium**

**School Safety Symposium**  
**Thursday, May 10th**  
**8am to noon**  
**Paladin Training Center**  
**39 Seminary Hill Rd, Carmel, NY**  
***Admission: FREE***

ASIS International is the world's foremost organization of more than 35,000 security professionals representing all aspects of security. The symposium is free for anyone interested in improving safety and security in our schools.

### **The following topics will be presented by subject matter experts:**

- Emerging Technologies in School Safety
- Successful School Resource Officer Partnerships
- Innovative Training for Emergency Protocols
- Emergency Notifications and Mass Communications Systems
- Partnering Your Safety Staffing

**Presentations will be given by security experts with extensive experience working with schools and education. Vendors will be represented sharing state of the art security systems and products that schools can use. Come get your questions answered!**

### **Who should attend:**

- School Business Officials
- School Administrators
- School Facilities Management
- School IT Directors
- School District Security Directors
- School Superintendents and Assistants
- School Resource Officers
- PTA Management
- Local Law Enforcement
- Any others with an interest in school safety and security.
