Lee Struble is President of WSM Trainers and Consultants (*est. 1996*). He recently retired after a 30-year career in higher education public safety (*Nazareth College, Monroe Community College, Rochester Institute of Technology and St. John Fisher College*). He is also a senior trainer for the National Crime Prevention Council (NCPC) and provides security assessment and consulting services to colleges and universities throughout the United States. Lee resides in Rochester, New York.

Chuck Sczuroski is a retired Sergeant from the Pawtucket, RI Police Department. He was a master trainer with the National Crime Prevention Council (NCPC) for over 10 years and has developed and presented various crime prevention and CPTED curriculums throughout the US and internationally. Chuck resides in Rhode Island.

Program Curriculum:

The new 3-day Campus & Community Crime Prevention through Environmental Design (CPTED) course was designed for K-12 and higher education Police/Public Safety, local law enforcement, government officials and other business leaders, community volunteers and crime prevention practitioners. It will provide the latest information, tools, and resources in the area of CPTED, including; how to conduct quality security and CPTED surveys, lighting, landscaping/maintenance, target hardening, alarm systems & technology, crime prevention resources, and current best and promising practices. New information on target-hardening for large outdoor venues and vehicle-ramming defense has also been added to the new curriculum.
