CSTAG
(Comprehensive School Threat Assessment Guidelines)
&
Threat Assessment Team Training Overview

This seminar is designed to introduce attendees to the topic & scope of threat assessment for schools. Participants will receive an overview of core principles that are best practices in developing and implementing a comprehensive threat assessment process. Topics include overviews of various protocols, team structure & makeup, common pitfalls, identifying behaviors of concern, and an introduction to Project BRIGHT, a new program designed to assist schools with threat assessment team implementation.

Who Should Attend?

School Administrators, District Superintendents, School Resource Officers, Law Enforcement Officers, Building Facility Supervisors, Mental Health Clinicians

Wednesday, February 12, 2020
1:00 – 3:00 p.m.
Archbishop Stepinac High School
950 Mamaroneck Avenue, White Plains NY 10605

Training is FREE
