Join us for a Panel Discussion

Safeguarding Personnel from the Frontline to the C-Suite

Join the ASIS Hudson Valley Chapter for an enlightening panel discussion, featuring distinguished security professionals, and gain valuable insights on critical topics such as:

- Recognizing workplace violence warning signs
- Leveraging technology for protection
- Advanced technology & social media concerns
- Fostering collaboration with key stakeholders
- A Case Study - Lessons learned from the United Healthcare CEO tragedy

Network with fellow security experts over light refreshments and leave inspired. Don't miss this opportunity—register today!
